Lab 12	LAB12	End SEM exam	40

* Project Details will be briefed during the lab hours.

- 4 marks for Program execution and will be checked twice.
- Midterm Evaluation: Writup (10M) + Program Execution (5M)
- Project: 20 M (Report (5)+ Viva (8)+ Demo(7)
- End Sem: Write up + Execution
- Record of exercise questions and/or additional programs must be written neatly with appropriate comments and proper input/output.
- As part of project, students will be grouped in teams of 3 members. Evaluation of Project will be done based on report submission, demonstration, and viva. Further information regarding project work will be communicated in due time.
- If there are any changes in the evaluation details or other information, it will be communicated during lab hours.
